The Sun Shone on Sunday 20th September

What a lovely afternoon was enjoyed by all, as boats were sailed and spectators sat in the sunshine in their groups of 6, and to crown it all, Angela turned up to serve cream teas. (She hadn't forgotten her tea duty!)

We welcomed new member 'Joe' MacEwan and his son Leo, who will be bringing their special dinghy to the club shortly.

Last week Julia swam in the river and afterwards cleared all the mud and weeds that were blocking the slipway and bank, whilst the rest of us were nattering on the patio. Phil says what a great difference it has made, so thank you Julia.

We must also thank the others for all their hard work throughout the year, like Phil cutting the lawn and Annie and Den tending the flower pots etc. The club can only keep going with everyone doing their bit to help

In November we shall need a Work Party to tidy the grounds, so keep that in mind. We can still 'Social Distance', so please offer your help.

Unless things improve it highly unlikely that we can have a Laying Up Supper.

A reminder that membership fees will be free in 2021 for those of you who paid at the beginning of the year BUT boat park fees will not. Our Treasurer, Anne-Do is preparing our end of year accounts, so see her if you need payment or wish to pay your bills.

Chit Chat

If you want to keep in touch with other members, download the 'Whats App' on to your smart phone and let Wayne, our sailing secretary, have your mobile number, to add you to the SSC group chat. (It is free if you have WiFi.)
